all but.

so that — can do.

will do.
Just As, so.
be about to do.
just about.
up to.
What if?
What — for?
What — like?
be out to do.

what to do.
what — is.
All one has to do is to do.
when.
what is more.
If it were not for.
Who is it that?
as it were.
were it not for.
There is no doing.
which.
all the time.
at a time.
by the time.
from time to time.
in no time.
in time.
in time for.
it is about time.
on time.
the time — when.
get at.
get by.
get in on.
get on with.
get on.
get to.
How about?
do with.
by now.
for now.
now that.
now.
one, the other.
no more than.
If only.
as good as.
be good at.
do — good.
do — good good to.
for good.
for the good of.
have only to do.
only to do.
after all.
at first.
first of all.
for the first time.

the first time.

over.

in a way.
in the way.
it is said that.

on one's way to.
on the way to.
out of the way.
at the most.

most of.

Here we are.
in need.
in need of.
at work.
right now.
work on.
work out.
all too.
for the time being.
only too.
too — for A to do.
That is why.
back off.
be well off.
go off.
make off with.
see A off.
see off.
well off.
be made of.
have — off.
take after.
take in.
take off.
take on.
take one's time.
take over.
take to.
take up.
as many as.
as many as.
many a.
many a.
those who.
have a say in.
it is not too much to say.
that is to say.
back down.
get down to.
take down.
up and down.
get through.
go through with.

go through.
see through.
If someone had done, someone would have done.
That's it.
What is someone like?
be someone — or.
for a while.
if someone should.
if someone were to do.
so that someone will.
the last — to do.
as such.
at best.
do one's best.
make the best of.
such as it is.
such as.
be in love with.
It is no use doing.
It is not long before.
as long as.
as long as.
at home.
at home with.
be at home with.
be of no use.
be of use.
before long.
could use.
go a long way to do.
go a long way to.
have a look at.
have a look at.
long for.
look after.
look at.
look down on.
look for.
look into.
look on.
look out for.
look over.
look to.
look to — for.
look up.
look up to.
make use of.
use up.
all the same.
all the same.
be used to doing.
the same — as.
used to do.
used to do.
every now and then.
every other.

every time.
Come on.
How come?
come about.
come after.
come before.
come by.
come down to.
come down with.
come home to.
come into being.
come into.
come off.
come out.
come through.
come to think of it.
come to.
come up with.
for the most part.
in part.
on one's part.
on the part of.
part with.
take part.
take part in.
to come.
between you and me.
get around to doing.
get around.
other way around.
the other way around.
be better off.
find one's way.
find one's way into.
find one's way to.
find one's way to.
find oneself.
find out about.
find out.
get the better of.
get the better of.
had better do.
know better.
know better than to do.
not always.
think better of.
It is high time.
help oneself to.
help — with.
it is about time.
see little of.
think little of.
all on one's own.
for one's own part.
have one's own way.
of one's own doing.

on one's own.
one A after another.
one after another.
one, another.
of one's own.
go under.
under way.
for one thing.
for one thing, for another.
one thing, — another.
give in.
give in to.
give off.
give out.
give over.
give up.
give way.
give way to.
in place.
in place of.
in the first place.
out of place.
take one's place.
take place.
take the place of.
next to.
over and over again.
think again.
do without.
each other.
each time.
every time.
go without.
never do without.
come to an end.
end up.
in the end.
on end.
show off.
show up.
be sure of.
be sure to do.
feel for.
feel like doing.
feel out.
make sure.
to be sure.
as — as ever.
if ever.
keep at.
keep back.
keep doing.
keep off.
keep to.
keep up.
keep up with.

keep — to oneself.
might just as well do.
might as well — as.
put an end to.
put down.
put in.
put off.
put on.
put out.
put through.
put up with.
put up.
put — to use.
to put it another way.
to put it.
be free from.
be free from.
be free of.
be free to do.
feel free to do.
for free.
free up.
a number of.
do away with.
get away with.
give away.
keep away from.
right away.
the number of.
a lot of.
it is not until — that.
one of these days.
play a part in.
play down.
play out.
play up.
these days.
in the company of.
keep company with.
keep — company.
let down.
let go of.
let off.
let out.
let up.
let — in.
be different from.
having said that.
on second thought.
on second thoughts.
set about.
set down.
set in.
set off.
set out.
set out to do.

set up.
set — free.
what is called.
in public.
on top of.
at times.
care about.
care for.
take care of.
with care.
anything but.
do nothing but do.
for nothing.
if anything.
in any case.
in case.
in person.
nothing but.
nothing is as — as A.
there is nothing for it but to do.
to say nothing of.
just in case.
enough — to go around.
a case in point.
and yet.
as yet.
be full of.
for a change.
have yet to do.
live a life.
live down.
live for.
live on.
live up to.
make a point of doing.
point out that.
point out.
point to.
read off.
to the point.
to the point of.
enough to do.
every once in a while.
all at once.
at once.
for once.
go bad.
once and for all.
once in a while.
tell off.
tell on.
stop over.
stop up.

what we call.
what we call is called.
as far as.
as if.

give — a try.
go so far as to do.
on the — side.
so far.
try on.
try out.
try to do.
in order.
in order that someone may.
in order to do.
in order as to do.
in the long run.
later on.
more or less.
much less.
much less.
no less than.
not less than.
nothing less than.
out of order.
read between the line.
run against.
run down.
run for.
run into.
run out.
run out of.
run over.
run through.
in general.
as a whole.
get together.
on the whole.
put together.
face off.

in the face of.
kind of.
make a face.
on the face of it.
at least.
by all means.
by means of.
by no means.
hope for.
in the course of.
last but not least.
not — in the least.
to say the least.
to say the least of it.
early on.
make friends with.
thanks to.
talk A into doing.
talk down to A.
talk up.
talk — into doing.
at first hand.
on the one hand, on the other hand.
as is often the case with.
as often as not.
at hand.
by hand.

more often than not.
on the other hand.
out of hand.
single out.
with — in mind.
would often do.
It is True, but.
be true of.

become of.
come true.
out of one's control.
pay off.

win over.
all along.
along with.
as a matter of course.
as a matter of fact.
come along.
for that matter.
get along.

go along with.
no matter how someone may.
no matter what may.
remember doing.
remember to do.
air out.
hit it off with.
hit on.
in the air.
on the air.
as — as possible.
as — as possible can.
close in.

when it comes to.
A as well as B.
A is not — any more than B is.
