My father takes a walk in the park every morning, so he is very healthy.
<break time="1.5s" />
Our science teacher told us that water boils at 100 degrees Celsius.
<break time="1.5s" />
“Where did you go last Sunday?” “I went to the zoo with my cousins.”
<break time="1.5s" />
My sister rode her bike to school yesterday because it was sunny.
<break time="1.5s" />
If you take this bus, you will arrive at the museum in ten minutes.
<break time="1.5s" />
When the phone rang, my brother was taking a bath, so I answered it instead.
<break time="1.5s" />
Please don't call me at nine tonight. I will be having dinner with my clients then.
<break time="1.5s" />
I am visiting my aunt in Kyoto next weekend. I've already bought the train ticket.
<break time="1.5s" />
This soup tastes wonderful. Did you make it yourself?
<break time="1.5s" />
I have liked this song since I was a little child, and I still sing it.
<break time="1.5s" />
Emi resembles her mother so much that people often mistake them for each other.
<break time="1.5s" />
“Is Mr. Sato still in the office?” “No, he has just left for the station.”
<break time="1.5s" />
By next April, my sister will have lived in London for five years.
<break time="1.5s" />
When we got to the theater, the movie had already begun, so we missed the opening.
<break time="1.5s" />
I recognized the town at once because I had been there several times as a child.
<break time="1.5s" />
I had never seen a koala until I visited Australia last year.
<break time="1.5s" />
I bought this bag at a department store three days ago.
<break time="1.5s" />
He came home just now, so he is still changing his clothes.
<break time="1.5s" />
“I can't find my umbrella.” “When did you use it last?”
<break time="1.5s" />
I have just been to the post office to send a package, so I'm a bit tired.
<break time="1.5s" />
Ms. Ito isn't here now. She has gone to Osaka on business and won't be back until Friday.
<break time="1.5s" />
“Have you ever been to Hokkaido?” “No, but I'd love to go someday.”
<break time="1.5s" />
I have been looking for my key since this morning, but I still can't find it.
<break time="1.5s" />
She had been standing in line for an hour when the store finally opened.
<break time="1.5s" />
We have lived in this city since 2015.
<break time="1.5s" />
This house has belonged to my family since my grandfather built it in 1970.
<break time="1.5s" />
Please wait here until I come back.
<break time="1.5s" />
You can go out to play after you have finished your homework.
<break time="1.5s" />
By the time you get here, I will have finished cleaning the room.
<break time="1.5s" />
I'll tell him the news when he gets home tonight.
<break time="1.5s" />
The forecast says it will rain all day, and nobody knows when it will stop.
<break time="1.5s" />
We'll cancel the picnic if it rains tomorrow.
<break time="1.5s" />
I wonder if she will meet us at the station tomorrow.
<break time="1.5s" />
I'm not sure if Ken will pass the exam next month. He hasn't studied at all.
<break time="1.5s" />

Let's start the meeting as soon as everyone arrives.
<break time="1.5s" />
“Have you decided what to do this summer?” “Yes. I am going to visit my grandparents in Hokkaido.”
<break time="1.5s" />
Look at those dark clouds. It is going to rain.
<break time="1.5s" />
I was about to go to bed when the phone rang.
<break time="1.5s" />
Five years have passed since we moved to this town.
<break time="1.5s" />
It has been two years since I last saw her.
<break time="1.5s" />
It has been ten years now since my grandfather passed away.
<break time="1.5s" />
“This bridge looks really old.” “Yes, it was built about two hundred years ago.”
<break time="1.5s" />
When was this temple built? It looks very old.
<break time="1.5s" />
The fireworks were so bright that they could be seen from the other side of the river.
<break time="1.5s" />
Medicine like this should be kept out of the reach of small children.
<break time="1.5s" />
I was given a nice watch by my uncle on my birthday.
<break time="1.5s" />
The room hasn't been cleaned yet, so you can't use it now.
<break time="1.5s" />
The baby was named Hana by her parents, after a flower they both loved.
<break time="1.5s" />
While the new road was being built, cars had to take a long way around.
<break time="1.5s" />
The new student was laughed at by some classmates, and he felt sad.
<break time="1.5s" />
Kyoto is known for its old temples and shrines.
<break time="1.5s" />
The puppy is being taken care of by the neighbors.
<break time="1.5s" />
I'm not interested in horror movies, so let's watch something else.
<break time="1.5s" />
We were surprised at the news of his sudden retirement.
<break time="1.5s" />
We were caught in a traffic jam on the way to the airport.
<break time="1.5s" />
Cheese is made from milk.
<break time="1.5s" />
“Where is Mr. Kato?” “I'm not sure, but he may be in the library.”
<break time="1.5s" />
If you practice every day, you will be able to swim 100 meters by summer.
<break time="1.5s" />
“I have a job interview tomorrow.” “Good luck! May you get the job!”
<break time="1.5s" />
That woman can't be his mother. She looks much too young.
<break time="1.5s" />
“May I use your pen for a moment?” “Sure, go ahead.”
<break time="1.5s" />
She speaks French, Spanish and Chinese. She must be very good at languages.
<break time="1.5s" />
You mustn't touch the paintings in this museum. It's against the rules.
<break time="1.5s" />
All passengers must wear a seat belt during takeoff and landing.
<break time="1.5s" />
I couldn't go to the party last Saturday because I had to take care of my little sister.
<break time="1.5s" />
You don't have to bring your lunch tomorrow. Lunch will be served at the event.
<break time="1.5s" />
The next train is an hour late, so we will have to wait at the station.
<break time="1.5s" />
To use the app, you have only to press this button.
<break time="1.5s" />

It's going to rain this afternoon. You should take an umbrella with you.
<break time="1.5s" />
“Shall I open the window?” “Yes, please. It's hot in here.”
<break time="1.5s" />
You ought not to go out alone late at night.
<break time="1.5s" />
We have plenty of time before the movie starts. You needn't hurry.
<break time="1.5s" />
You don't need to worry about the test. You studied very hard.
<break time="1.5s" />
I dare not tell my father that I broke his camera. He would be so angry.
<break time="1.5s" />
How dare you read my diary without asking me!
<break time="1.5s" />
If you will wait a moment, I'll get the manager for you.
<break time="1.5s" />
My brother would not listen to my advice, so he failed the exam again.
<break time="1.5s" />
Would you mind opening the door for me? My hands are full.
<break time="1.5s" />
“Shall we eat out tonight?” “I'd rather eat at home. I'm a little tired.”
<break time="1.5s" />
I would rather not discuss this matter today.
<break time="1.5s" />
You look pale. You had better go home and get some rest.
<break time="1.5s" />
“I'll call her now.” “It's midnight. You had better not call her now.”
<break time="1.5s" />
I am used to living in the city now, but at first it was hard for me.
<break time="1.5s" />
There used to be a small bookstore on this corner, but it closed ten years ago.
<break time="1.5s" />
When I was a child, my grandfather would often take me fishing on Sundays.
<break time="1.5s" />
Her eyes are red and swollen. She must have cried last night.
<break time="1.5s" />
Ken can't have eaten the whole cake by himself. It was far too big for one person.
<break time="1.5s" />
Ken looks very happy today. He may have heard some good news.
<break time="1.5s" />
I can't find my key anywhere. I might have left it at the office.
<break time="1.5s" />
He looks very sleepy. He must have stayed up late last night.
<break time="1.5s" />
You should have studied harder. Then you would have passed the test.
<break time="1.5s" />
The train ought to have arrived here ten minutes ago. I wonder why it's late.
<break time="1.5s" />
I have a terrible stomachache. I should not have eaten so much cake.
<break time="1.5s" />
I ought not to have played games until so late.
<break time="1.5s" />
We needn't have taken a taxi. The station was only a five-minute walk.
<break time="1.5s" />
It is essential that every student follow the safety rules.
<break time="1.5s" />
You can't be too careful when you ride a bicycle at night.
<break time="1.5s" />
I would like to ask you a question about the homework.
<break time="1.5s" />
The movie was so funny that I couldn't help laughing.
<break time="1.5s" />
I cannot but be grateful for his kindness.
<break time="1.5s" />
She studied very hard for a year. She may well be proud of her result.
<break time="1.5s" />
You might as well throw your money away as spend it on such a useless thing.
<break time="1.5s" />

There's nothing more to do here. We might as well go home.
<break time="1.5s" />
Ken is in Canada now. If he were here, he would tell us what to do.
<break time="1.5s" />
If I were you, I would apologize to her right away.
<break time="1.5s" />
If my brother were in my place, he would talk to the teacher about it.
<break time="1.5s" />
I miss you so much. If I had wings, I could fly to you.
<break time="1.5s" />
What would you buy if you won the lottery?
<break time="1.5s" />
If she had taken an earlier bus, she would have arrived on time.
<break time="1.5s" />
If we had left home ten minutes earlier, we would have caught the train.
<break time="1.5s" />
If it had not rained, we could have played the game.
<break time="1.5s" />
If I had taken the doctor's advice then, I would be healthier now.
<break time="1.5s" />
If she had accepted the job offer last year, she would be living in Paris now.
<break time="1.5s" />
If you were to win a million yen, what would you do with it?
<break time="1.5s" />
If anyone should call while I'm out, please take a message.
<break time="1.5s" />
If it should rain tomorrow, the event will be held in the gym.
<break time="1.5s" />
My sister wishes she were a little taller.
<break time="1.5s" />
I wish I had studied harder when I was in high school.
<break time="1.5s" />
I wish I could speak French as well as you.
<break time="1.5s" />
I wish my neighbor would stop playing music at night.
<break time="1.5s" />
If only I had a car! Then I could drive you home.
<break time="1.5s" />
I would rather you didn't use your phone during class.
<break time="1.5s" />
She talks as if she knew everything about the town, but she has never been there.
<break time="1.5s" />
It's already eleven. It's time you went to bed.
<break time="1.5s" />
It is high time you cleaned your room. It's a mess!
<break time="1.5s" />
He talks as if he had seen the accident.
<break time="1.5s" />
If it were not for your support, I couldn't continue this work.
<break time="1.5s" />
If it had not been for the map, we would have got lost in the mountains.
<break time="1.5s" />
Without water, no living things could survive on the earth.
<break time="1.5s" />
But for his help, I would not have finished the project on time.
<break time="1.5s" />
Were I rich, I would buy a house by the sea.
<break time="1.5s" />
Had she known the truth, she would have been very upset.
<break time="1.5s" />
Were a big earthquake to hit this city, many buildings would be damaged.
<break time="1.5s" />
Should you have any questions, please feel free to ask me.
<break time="1.5s" />
Had it not been for my mother's encouragement at that time, I would have given up.
<break time="1.5s" />
Had I known about the party, I would have come.
<break time="1.5s" />

A wiser person would not have made such a mistake.
<break time="1.5s" />
Without your advice, I would have made a big mistake.
<break time="1.5s" />
I took a taxi; otherwise I would have been late for the meeting.
<break time="1.5s" />
A true friend would not say such a thing.
<break time="1.5s" />
To hear her speak English, you would think she was a native speaker.
<break time="1.5s" />
“I took the express train.” “You could have taken the bus. It was much cheaper.”
<break time="1.5s" />
My dream is to travel around the world.
<break time="1.5s" />
It is important to get enough sleep before an exam.
<break time="1.5s" />
I was so nervous that I didn't know what to say at the interview.
<break time="1.5s" />
Excuse me. Could you tell me how to get to the station?
<break time="1.5s" />
They found it impossible to finish the work in time.
<break time="1.5s" />
My legs are tired. I need a chair to sit on.
<break time="1.5s" />
I'm thirsty. Please give me something cold to drink.
<break time="1.5s" />
I was very surprised to hear that he had moved to Australia.
<break time="1.5s" />
This math problem is very difficult to solve.
<break time="1.5s" />
He grew up to be a famous pianist.
<break time="1.5s" />
I hurried to the station, only to find that the train had already left.
<break time="1.5s" />
I went to the library to borrow some books for my report.
<break time="1.5s" />
The teacher told us not to use our phones during the test.
<break time="1.5s" />
It is dangerous for a child to walk alone at night.
<break time="1.5s" />
The teacher thought it important for students to find the answer by themselves.
<break time="1.5s" />
It was careless of you to leave the door unlocked.
<break time="1.5s" />
It is impossible for me to finish this report by tomorrow.
<break time="1.5s" />
He seems to have been ill last week, but he looks fine now.
<break time="1.5s" />
“Will you come to the party?” “I'd like to, but I have to work that day.”
<break time="1.5s" />
The box was too heavy for me to carry by myself.
<break time="1.5s" />
He was too tired to do his homework last night.
<break time="1.5s" />
She is old enough to ride the roller coaster now.
<break time="1.5s" />
We don't have enough money to buy a new car.
<break time="1.5s" />
He is wise enough not to fall for such an obvious trick.
<break time="1.5s" />
Would you be so kind as to open the window?
<break time="1.5s" />
In order to get a good seat, we arrived at the stadium an hour early.
<break time="1.5s" />
Please speak quietly so as not to wake the baby.
<break time="1.5s" />
I saw a cat run across the road just now.
<break time="1.5s" />

My father let me use his car for the trip.
<break time="1.5s" />
The children were made to stay in the classroom after school.
<break time="1.5s" />
Can you help me carry these boxes to the car?
<break time="1.5s" />
“I'm worried about the test.” “All you have to do is review your notes.”
<break time="1.5s" />
I got my brother to help me with my homework.
<break time="1.5s" />
The new library is to open next spring.
<break time="1.5s" />
Not a single star was to be seen in the cloudy sky.
<break time="1.5s" />
She seems to know the answer, but she isn't saying anything.
<break time="1.5s" />
If you are to pass the exam, you must study every day.
<break time="1.5s" />
He speaks English, not to mention French and German.
<break time="1.5s" />
The service at that restaurant was slow, to say the least.
<break time="1.5s" />
Needless to say, health is more important than money.
<break time="1.5s" />
Getting up early is good for your health.
<break time="1.5s" />
We enjoyed swimming in the lake last summer.
<break time="1.5s" />
The coach complained about my being late for practice every day.
<break time="1.5s" />
It's a little cold in here. Would you mind closing the window?
<break time="1.5s" />
He is proud of having lived abroad when he was young.
<break time="1.5s" />
He regrets not having been honest with his parents when he was a child.
<break time="1.5s" />
My father stopped smoking for his health two years ago.
<break time="1.5s" />
Remember to lock the door when you go out.
<break time="1.5s" />
It is no use trying to persuade him. He never changes his mind.
<break time="1.5s" />
It's already done. There is no point worrying about the past.
<break time="1.5s" />
This book is worth reading. You'll love it.
<break time="1.5s" />
There appears to be no sense in apologizing to him now.
<break time="1.5s" />
I'm looking forward to hearing from you soon.
<break time="1.5s" />
My grandmother is used to getting up at five every morning.
<break time="1.5s" />
I am not accustomed to commuting on crowded trains.
<break time="1.5s" />
Many residents objected to building a new airport near their town.
<break time="1.5s" />
She is good at drawing pictures of animals.
<break time="1.5s" />
When it comes to cooking, she is the best in our class.
<break time="1.5s" />
“What do you say to watching a movie this weekend?” “Sounds good!”
<break time="1.5s" />
“How about taking a short break?” “Good idea. I'm tired.”
<break time="1.5s" />
She had difficulty finding a parking space near the station.
<break time="1.5s" />
I don't suppose you will have any trouble getting used to your new class.
<break time="1.5s" />

My mother was busy cooking dinner when I got home.
<break time="1.5s" />
He spent the whole weekend playing video games.
<break time="1.5s" />
There is no knowing what she will say next.
<break time="1.5s" />
It goes without saying that safety comes first.
<break time="1.5s" />
I'm tired, so I don't feel like eating out tonight.
<break time="1.5s" />
She left the room without saying a word.
<break time="1.5s" />
On hearing the news, she burst into tears.
<break time="1.5s" />
Be quiet. Don't wake the sleeping baby in the next room.
<break time="1.5s" />
Be careful. There's a broken window in the kitchen.
<break time="1.5s" />
Students wishing to join the trip must hand in this form by Friday.
<break time="1.5s" />
Most of the cars made in this factory are sold overseas.
<break time="1.5s" />
This is a picture painted by my sister when she was ten.
<break time="1.5s" />
Who is the boy reading a book by the window?
<break time="1.5s" />
There was a long line of people waiting outside the shop yesterday morning.
<break time="1.5s" />
I'm hungry, but there was nothing left in the fridge.
<break time="1.5s" />
Emi felt embarrassed when she noticed that she was wearing two different socks.
<break time="1.5s" />
The soccer game last night was very exciting. Everyone was cheering.
<break time="1.5s" />
The lecture was so boring that many students fell asleep.
<break time="1.5s" />
I'm sorry to have kept you waiting so long.
<break time="1.5s" />
Please keep the windows closed while the air conditioner is on.
<break time="1.5s" />
My car broke down, so I had it repaired at the garage.
<break time="1.5s" />
I heard the birds singing outside my window early this morning.
<break time="1.5s" />
Did you see the window broken by the ball?
<break time="1.5s" />
I need to get this letter sent by Friday.
<break time="1.5s" />
The man was seen running out of the bank at around ten.
<break time="1.5s" />
The hotel staff spoke only Italian, so I couldn't make myself understood.
<break time="1.5s" />
The crowd was so noisy that the speaker couldn't make himself heard.
<break time="1.5s" />
Feeling very tired, I went to bed early last night.
<break time="1.5s" />
Walking down the street, I met an old friend of mine.
<break time="1.5s" />
Not knowing where to go, the tourist asked a police officer for help.
<break time="1.5s" />
Having finished all his homework, he went out to play soccer.
<break time="1.5s" />
The weather being fine, we went on a picnic.
<break time="1.5s" />
Weather permitting, we will go hiking this weekend.
<break time="1.5s" />
Seen from the top of the tower, the city looks like a toy town.
<break time="1.5s" />

All things considered, the school festival was a great success.
<break time="1.5s" />
Living as she does in the countryside, my aunt rarely goes shopping in the city.
<break time="1.5s" />
Frankly speaking, I don't like his idea very much.
<break time="1.5s" />
Judging from his accent, he must be from Osaka.
<break time="1.5s" />
She listened to the music with her eyes closed.
<break time="1.5s" />
He stood by the door with his arms folded.
<break time="1.5s" />
I walked in the park with my dog following me.
<break time="1.5s" />
The test was not as difficult as it looked.
<break time="1.5s" />
My sister can run as fast as I can.

<break time="1.5s" />
Ken has twice the number of comics that I have.
<break time="1.5s" />
Please answer as quickly as you can.
<break time="1.5s" />
Read as many books as you can during the summer vacation.
<break time="1.5s" />

<break time="1.5s" />
My son does not so much as clean his own room.
<break time="1.5s" />
She is as great a pianist as ever lived.
<break time="1.5s" />
My old bike was repaired, and now it is as good as new.
<break time="1.5s" />
This bag is much lighter than that one.
<break time="1.5s" />
Today is even hotter than yesterday.
<break time="1.5s" />
This movie is less exciting than that one.
<break time="1.5s" />
Our coach is more kind than strict.
<break time="1.5s" />
It is getting darker and darker outside.
<break time="1.5s" />
Tom is the taller of the two brothers.
<break time="1.5s" />
The more I listened to his story, the more convinced I became that he was lying.
<break time="1.5s" />
The more you practice, the better you will play.
<break time="1.5s" />
The earlier we start, the earlier we will finish.
<break time="1.5s" />
I respect her all the more for her honesty.
<break time="1.5s" />
The old car is none the worse for the long trip.
