what to do. <break time="1.2s" />
what — is. <break time="1.2s" />
All one has to do is to do. <break time="1.2s" />

on the go. <break time="1.2s" />
as well. <break time="1.2s" />
to go. <break time="1.2s" />
all the way. <break time="1.2s" />
by the way. <break time="1.2s" />
by way of. <break time="1.2s" />
go out of one's way to do. <break time="1.2s" />
have a way of doing. <break time="1.2s" />
in a way. <break time="1.2s" />
in the way. <break time="1.2s" />
it is said that. <break time="1.2s" />
make one's way. <break time="1.2s" />
make way. <break time="1.2s" />
on one's way to. <break time="1.2s" />
on the way to. <break time="1.2s" />
out of the way. <break time="1.2s" />
at the most. <break time="1.2s" />
make much of. <break time="1.2s" />
make the most of. <break time="1.2s" />
most of. <break time="1.2s" />

not so much as do. <break time="1.2s" />
see much of. <break time="1.2s" />
think much of. <break time="1.2s" />
where to do. <break time="1.2s" />
where. <break time="1.2s" />
even as. <break time="1.2s" />
even if. <break time="1.2s" />
even up. <break time="1.2s" />
get even with. <break time="1.2s" />
may as well do. <break time="1.2s" />
may as well — as. <break time="1.2s" />
may want to do. <break time="1.2s" />
may well do. <break time="1.2s" />
Here we are. <break time="1.2s" />
in need. <break time="1.2s" />
in need of. <break time="1.2s" />
at work. <break time="1.2s" />
right now. <break time="1.2s" />
work on. <break time="1.2s" />
work out. <break time="1.2s" />
all too. <break time="1.2s" />
for the time being. <break time="1.2s" />
only too. <break time="1.2s" />
too — for A to do. <break time="1.2s" />
That is why. <break time="1.2s" />
back off. <break time="1.2s" />
be well off. <break time="1.2s" />
go off. <break time="1.2s" />
make off with. <break time="1.2s" />
see A off. <break time="1.2s" />
see off. <break time="1.2s" />
well off. <break time="1.2s" />
be made of. <break time="1.2s" />
have — off. <break time="1.2s" />
take after. <break time="1.2s" />

take off. <break time="1.2s" />
take on. <break time="1.2s" />
take one's time. <break time="1.2s" />
take over. <break time="1.2s" />
take to. <break time="1.2s" />
take up. <break time="1.2s" />
as many as. <break time="1.2s" />
as many as. <break time="1.2s" />
many a. <break time="1.2s" />
many a. <break time="1.2s" />
those who. <break time="1.2s" />
have a say in. <break time="1.2s" />
it is not too much to say. <break time="1.2s" />
that is to say. <break time="1.2s" />
back down. <break time="1.2s" />
get down to. <break time="1.2s" />
take down. <break time="1.2s" />
up and down. <break time="1.2s" />
get through. <break time="1.2s" />
go through with. <break time="1.2s" />

go through. <break time="1.2s" />
see through. <break time="1.2s" />
If someone had done, someone would have done. <break time="1.2s" />
That's it. <break time="1.2s" />
What is someone like? <break time="1.2s" />
be someone — or. <break time="1.2s" />
for a while. <break time="1.2s" />
if someone should. <break time="1.2s" />
if someone were to do. <break time="1.2s" />
so that someone will. <break time="1.2s" />
the last — to do. <break time="1.2s" />
as such. <break time="1.2s" />
at best. <break time="1.2s" />
do one's best. <break time="1.2s" />
make the best of. <break time="1.2s" />
such as it is. <break time="1.2s" />
such as. <break time="1.2s" />
be in love with. <break time="1.2s" />
It is no use doing. <break time="1.2s" />
It is not long before. <break time="1.2s" />
as long as. <break time="1.2s" />
as long as. <break time="1.2s" />
at home. <break time="1.2s" />
at home with. <break time="1.2s" />
be at home with. <break time="1.2s" />
be of no use. <break time="1.2s" />
be of use. <break time="1.2s" />
before long. <break time="1.2s" />
could use. <break time="1.2s" />
go a long way to do. <break time="1.2s" />
go a long way to. <break time="1.2s" />
have a look at. <break time="1.2s" />
have a look at. <break time="1.2s" />
long for. <break time="1.2s" />
look after. <break time="1.2s" />
look at. <break time="1.2s" />
look down on. <break time="1.2s" />
look for. <break time="1.2s" />
look into. <break time="1.2s" />
look on. <break time="1.2s" />
look out for. <break time="1.2s" />
look over. <break time="1.2s" />
look to. <break time="1.2s" />
look to — for. <break time="1.2s" />
look up. <break time="1.2s" />
look up to. <break time="1.2s" />
make use of. <break time="1.2s" />
use up. <break time="1.2s" />
all the same. <break time="1.2s" />
all the same. <break time="1.2s" />
be used to doing. <break time="1.2s" />
the same — as. <break time="1.2s" />
used to do. <break time="1.2s" />
used to do. <break time="1.2s" />
every now and then. <break time="1.2s" />
every other. <break time="1.2s" />

every time. <break time="1.2s" />
Come on. <break time="1.2s" />
How come? <break time="1.2s" />
come about. <break time="1.2s" />
come after. <break time="1.2s" />
come before. <break time="1.2s" />
come by. <break time="1.2s" />
come down to. <break time="1.2s" />
come down with. <break time="1.2s" />
come home to. <break time="1.2s" />
come into being. <break time="1.2s" />
come into. <break time="1.2s" />
come off. <break time="1.2s" />
come out. <break time="1.2s" />
come through. <break time="1.2s" />
come to think of it. <break time="1.2s" />
come to. <break time="1.2s" />
come up with. <break time="1.2s" />
for the most part. <break time="1.2s" />
in part. <break time="1.2s" />
on one's part. <break time="1.2s" />
on the part of. <break time="1.2s" />
part with. <break time="1.2s" />
take part. <break time="1.2s" />
take part in. <break time="1.2s" />
to come. <break time="1.2s" />
between you and me. <break time="1.2s" />
get around to doing. <break time="1.2s" />
get around. <break time="1.2s" />
other way around. <break time="1.2s" />
the other way around. <break time="1.2s" />
be better off. <break time="1.2s" />
find one's way. <break time="1.2s" />
find one's way into. <break time="1.2s" />
find one's way to. <break time="1.2s" />
find one's way to. <break time="1.2s" />
find oneself. <break time="1.2s" />
find out about. <break time="1.2s" />
find out. <break time="1.2s" />
get the better of. <break time="1.2s" />
get the better of. <break time="1.2s" />
had better do. <break time="1.2s" />
know better. <break time="1.2s" />
know better than to do. <break time="1.2s" />
not always. <break time="1.2s" />
think better of. <break time="1.2s" />
It is high time. <break time="1.2s" />
help oneself to. <break time="1.2s" />
help — with. <break time="1.2s" />
it is about time. <break time="1.2s" />
see little of. <break time="1.2s" />
think little of. <break time="1.2s" />
all on one's own. <break time="1.2s" />
for one's own part. <break time="1.2s" />
have one's own way. <break time="1.2s" />
of one's own doing. <break time="1.2s" />

on one's own. <break time="1.2s" />
one A after another. <break time="1.2s" />
one after another. <break time="1.2s" />
one, another. <break time="1.2s" />
of one's own. <break time="1.2s" />
go under. <break time="1.2s" />
under way. <break time="1.2s" />
for one thing. <break time="1.2s" />
for one thing, for another. <break time="1.2s" />
one thing, — another. <break time="1.2s" />
give in. <break time="1.2s" />
give in to. <break time="1.2s" />
give off. <break time="1.2s" />
give out. <break time="1.2s" />
give over. <break time="1.2s" />
give up. <break time="1.2s" />
give way. <break time="1.2s" />
give way to. <break time="1.2s" />
in place. <break time="1.2s" />
in place of. <break time="1.2s" />
in the first place. <break time="1.2s" />
out of place. <break time="1.2s" />
take one's place. <break time="1.2s" />
take place. <break time="1.2s" />
take the place of. <break time="1.2s" />
next to. <break time="1.2s" />
over and over again. <break time="1.2s" />
think again. <break time="1.2s" />
do without. <break time="1.2s" />
each other. <break time="1.2s" />
each time. <break time="1.2s" />
every time. <break time="1.2s" />
go without. <break time="1.2s" />
never do without. <break time="1.2s" />
come to an end. <break time="1.2s" />
end up. <break time="1.2s" />
in the end. <break time="1.2s" />
on end. <break time="1.2s" />
show off. <break time="1.2s" />
show up. <break time="1.2s" />
be sure of. <break time="1.2s" />
be sure to do. <break time="1.2s" />
feel for. <break time="1.2s" />
feel like doing. <break time="1.2s" />
feel out. <break time="1.2s" />
make sure. <break time="1.2s" />
to be sure. <break time="1.2s" />
as — as ever. <break time="1.2s" />
if ever. <break time="1.2s" />
keep at. <break time="1.2s" />
keep back. <break time="1.2s" />
keep doing. <break time="1.2s" />
keep off. <break time="1.2s" />
keep to. <break time="1.2s" />
keep up. <break time="1.2s" />
keep up with. <break time="1.2s" />

keep — to oneself. <break time="1.2s" />
might just as well do. <break time="1.2s" />
might as well — as. <break time="1.2s" />
put an end to. <break time="1.2s" />
put down. <break time="1.2s" />
put in. <break time="1.2s" />
put off. <break time="1.2s" />
put on. <break time="1.2s" />
put out. <break time="1.2s" />
put through. <break time="1.2s" />
put up with. <break time="1.2s" />
put up. <break time="1.2s" />
put — to use. <break time="1.2s" />
to put it another way. <break time="1.2s" />
to put it. <break time="1.2s" />
be free from. <break time="1.2s" />
be free from. <break time="1.2s" />
be free of. <break time="1.2s" />
be free to do. <break time="1.2s" />
feel free to do. <break time="1.2s" />
for free. <break time="1.2s" />
free up. <break time="1.2s" />
a number of. <break time="1.2s" />
do away with. <break time="1.2s" />
get away with. <break time="1.2s" />
give away. <break time="1.2s" />
keep away from. <break time="1.2s" />
right away. <break time="1.2s" />
the number of. <break time="1.2s" />
a lot of. <break time="1.2s" />
it is not until — that. <break time="1.2s" />
one of these days. <break time="1.2s" />
play a part in. <break time="1.2s" />
play down. <break time="1.2s" />
play out. <break time="1.2s" />
play up. <break time="1.2s" />
these days. <break time="1.2s" />
in the company of. <break time="1.2s" />
keep company with. <break time="1.2s" />
keep — company. <break time="1.2s" />
let down. <break time="1.2s" />
let go of. <break time="1.2s" />
let off. <break time="1.2s" />
let out. <break time="1.2s" />
let up. <break time="1.2s" />
let — in. <break time="1.2s" />
be different from. <break time="1.2s" />
having said that. <break time="1.2s" />
on second thought. <break time="1.2s" />
on second thoughts. <break time="1.2s" />
set about. <break time="1.2s" />
set down. <break time="1.2s" />
set in. <break time="1.2s" />
set off. <break time="1.2s" />
set out. <break time="1.2s" />
set out to do. <break time="1.2s" />

set up. <break time="1.2s" />
set — free. <break time="1.2s" />
what is called. <break time="1.2s" />
in public. <break time="1.2s" />
on top of. <break time="1.2s" />
at times. <break time="1.2s" />
care about. <break time="1.2s" />
care for. <break time="1.2s" />
take care of. <break time="1.2s" />
with care. <break time="1.2s" />
anything but. <break time="1.2s" />
do nothing but do. <break time="1.2s" />
for nothing. <break time="1.2s" />
if anything. <break time="1.2s" />
in any case. <break time="1.2s" />
in case. <break time="1.2s" />
in person. <break time="1.2s" />
nothing but. <break time="1.2s" />
nothing is as — as A. <break time="1.2s" />
there is nothing for it but to do. <break time="1.2s" />
to say nothing of. <break time="1.2s" />
just in case. <break time="1.2s" />
enough — to go around. <break time="1.2s" />
a case in point. <break time="1.2s" />
and yet. <break time="1.2s" />
as yet. <break time="1.2s" />
be full of. <break time="1.2s" />
for a change. <break time="1.2s" />
have yet to do. <break time="1.2s" />
live a life. <break time="1.2s" />
live down. <break time="1.2s" />
live for. <break time="1.2s" />
live on. <break time="1.2s" />
live up to. <break time="1.2s" />
make a point of doing. <break time="1.2s" />
point out that. <break time="1.2s" />
point out. <break time="1.2s" />
point to. <break time="1.2s" />
read off. <break time="1.2s" />
to the point. <break time="1.2s" />
to the point of. <break time="1.2s" />
enough to do. <break time="1.2s" />
every once in a while. <break time="1.2s" />
all at once. <break time="1.2s" />
at once. <break time="1.2s" />
for once. <break time="1.2s" />
go bad. <break time="1.2s" />
once and for all. <break time="1.2s" />
once in a while. <break time="1.2s" />
tell off. <break time="1.2s" />
tell on. <break time="1.2s" />
stop over. <break time="1.2s" />
stop up. <break time="1.2s" />
water down. <break time="1.2s" />
be based on. <break time="1.2s" />
believe in. <break time="1.2s" />

believe it or not. <break time="1.2s" />
call at. <break time="1.2s" />
call back. <break time="1.2s" />
call for. <break time="1.2s" />
call it a day. <break time="1.2s" />
call off. <break time="1.2s" />
call on. <break time="1.2s" />
call up. <break time="1.2s" />
give — a call. <break time="1.2s" />
head off to. <break time="1.2s" />
head off. <break time="1.2s" />
head out. <break time="1.2s" />
make believe. <break time="1.2s" />
make believe that. <break time="1.2s" />
what we call. <break time="1.2s" />
what we call is called. <break time="1.2s" />
as far as. <break time="1.2s" />
as if. <break time="1.2s" />
as though. <break time="1.2s" />
by far. <break time="1.2s" />
far from. <break time="1.2s" />
give — a try. <break time="1.2s" />
go so far as to do. <break time="1.2s" />
on the — side. <break time="1.2s" />
so far. <break time="1.2s" />
try on. <break time="1.2s" />
try out. <break time="1.2s" />
try to do. <break time="1.2s" />
in order. <break time="1.2s" />
in order that someone may. <break time="1.2s" />
in order to do. <break time="1.2s" />
in order as to do. <break time="1.2s" />
in the long run. <break time="1.2s" />
later on. <break time="1.2s" />
more or less. <break time="1.2s" />
much less. <break time="1.2s" />
much less. <break time="1.2s" />
no less than. <break time="1.2s" />
not less than. <break time="1.2s" />
nothing less than. <break time="1.2s" />
out of order. <break time="1.2s" />
read between the line. <break time="1.2s" />
run against. <break time="1.2s" />
run down. <break time="1.2s" />
run for. <break time="1.2s" />
run into. <break time="1.2s" />
run out. <break time="1.2s" />
run out of. <break time="1.2s" />
run over. <break time="1.2s" />
run through. <break time="1.2s" />
in general. <break time="1.2s" />
as a whole. <break time="1.2s" />
get together. <break time="1.2s" />
on the whole. <break time="1.2s" />
put together. <break time="1.2s" />
face off. <break time="1.2s" />

in the face of. <break time="1.2s" />
kind of. <break time="1.2s" />
make a face. <break time="1.2s" />
on the face of it. <break time="1.2s" />
at least. <break time="1.2s" />
by all means. <break time="1.2s" />
by means of. <break time="1.2s" />
by no means. <break time="1.2s" />
hope for. <break time="1.2s" />
in the course of. <break time="1.2s" />
last but not least. <break time="1.2s" />
not — in the least. <break time="1.2s" />
to say the least. <break time="1.2s" />
to say the least of it. <break time="1.2s" />
early on. <break time="1.2s" />
make friends with. <break time="1.2s" />
thanks to. <break time="1.2s" />
talk A into doing. <break time="1.2s" />
talk down to A. <break time="1.2s" />
talk up. <break time="1.2s" />
talk — into doing. <break time="1.2s" />
at first hand. <break time="1.2s" />
on the one hand, on the other hand. <break time="1.2s" />
as is often the case with. <break time="1.2s" />
as often as not. <break time="1.2s" />
at hand. <break time="1.2s" />
by hand. <break time="1.2s" />
give someone a hand. <break time="1.2s" />
give — a hand. <break time="1.2s" />
given. <break time="1.2s" />
hand down. <break time="1.2s" />
hand in. <break time="1.2s" />
hand off. <break time="1.2s" />
hand over. <break time="1.2s" />
have — in mind. <break time="1.2s" />
have — on one's mind. <break time="1.2s" />
in fact. <break time="1.2s" />
keep — in mind. <break time="1.2s" />
level off. <break time="1.2s" />
make up one's mind. <break time="1.2s" />
more often than not. <break time="1.2s" />
on the other hand. <break time="1.2s" />
out of hand. <break time="1.2s" />
single out. <break time="1.2s" />
with — in mind. <break time="1.2s" />
would often do. <break time="1.2s" />
It is True, but. <break time="1.2s" />
be true of. <break time="1.2s" />
be true to. <break time="1.2s" />
become of. <break time="1.2s" />
come true. <break time="1.2s" />
out of one's control. <break time="1.2s" />
pay off. <break time="1.2s" />
take control of. <break time="1.2s" />
take office. <break time="1.2s" />
true for. <break time="1.2s" />

true to life. <break time="1.2s" />
under control. <break time="1.2s" />
to death. <break time="1.2s" />
Something is wrong with. <break time="1.2s" />
at large. <break time="1.2s" />
be known for. <break time="1.2s" />
be known to. <break time="1.2s" />
by and large. <break time="1.2s" />
get lost. <break time="1.2s" />
go wrong with. <break time="1.2s" />
win over. <break time="1.2s" />
all along. <break time="1.2s" />
along with. <break time="1.2s" />
as a matter of course. <break time="1.2s" />
as a matter of fact. <break time="1.2s" />
come along. <break time="1.2s" />
for that matter. <break time="1.2s" />
get along. <break time="1.2s" />
get along with. <break time="1.2s" />
go along with. <break time="1.2s" />
no matter how someone may. <break time="1.2s" />
no matter what may. <break time="1.2s" />
remember doing. <break time="1.2s" />
remember to do. <break time="1.2s" />
air out. <break time="1.2s" />
hit it off with. <break time="1.2s" />
hit on. <break time="1.2s" />
in the air. <break time="1.2s" />
on the air. <break time="1.2s" />
as — as possible. <break time="1.2s" />
as — as possible can. <break time="1.2s" />
close in. <break time="1.2s" />
come close to doing. <break time="1.2s" />
come to an end close. <break time="1.2s" />
have no idea. <break time="1.2s" />
when it comes to. <break time="1.2s" />
A as well as B. <break time="1.2s" />
A is not — any more than B is. <break time="1.2s" />
A is one thing, and B is another. <break time="1.2s" />
A, and B at that. <break time="1.2s" />
Nothing is more A than B. <break time="1.2s" />
be due to do. <break time="1.2s" />
both A and B. <break time="1.2s" />
due to. <break time="1.2s" />
give A over to B. <break time="1.2s" />
hand out A to B. <break time="1.2s" />
have A to do with B. <break time="1.2s" />
help A with B. <break time="1.2s" />
in question. <break time="1.2s" />
keep A from B. <break time="1.2s" />
look on A as B. <break time="1.2s" />
make A out of B. <break time="1.2s" />
make A from B. <break time="1.2s" />
name A after B. <break time="1.2s" />
not A but B. <break time="1.2s" />
not only A but also B. <break time="1.2s" />

not so much A as B. <break time="1.2s" />
on the move. <break time="1.2s" />
order A from B. <break time="1.2s" />
out of the question. <break time="1.2s" />
pay A for B. <break time="1.2s" />
put A through to B. <break time="1.2s" />
see A as B. <break time="1.2s" />
show A around B. <break time="1.2s" />
take A as B. <break time="1.2s" />
take A for B. <break time="1.2s" />
talk A into B. <break time="1.2s" />
tell A from B. <break time="1.2s" />
think of A as B. <break time="1.2s" />
what with A and what with B. <break time="1.2s" />
what with A and B. <break time="1.2s" />
ask A for B. <break time="1.2s" />
ask for. <break time="1.2s" />
be late for. <break time="1.2s" />
it won't be long before. <break time="1.2s" />
leave A up to B. <break time="1.2s" />
leave off. <break time="1.2s" />
leave out. <break time="1.2s" />
of late. <break time="1.2s" />
watch out for. <break time="1.2s" />
watch over. <break time="1.2s" />
A is to B what C is to D. <break time="1.2s" />
be here to stay. <break time="1.2s" />
come to light. <break time="1.2s" />
either A or B. <break time="1.2s" />
in the light of. <break time="1.2s" />
in short. <break time="1.2s" />
in the future. <break time="1.2s" />
name A B after C. <break time="1.2s" />
not — either. <break time="1.2s" />
nothing short of. <break time="1.2s" />
short of. <break time="1.2s" />
stay away from. <break time="1.2s" />
stay off. <break time="1.2s" />
stay up. <break time="1.2s" />
The reason is that. <break time="1.2s" />
a great deal. <break time="1.2s" />
a great deal. <break time="1.2s" />
as soon as. <break time="1.2s" />
buy out. <break time="1.2s" />
buy up. <break time="1.2s" />
come of age. <break time="1.2s" />
deal in. <break time="1.2s" />
deal out. <break time="1.2s" />
deal with. <break time="1.2s" />
in turn. <break time="1.2s" />
it doesn't matter whether. <break time="1.2s" />
turn A into B. <break time="1.2s" />
turn around. <break time="1.2s" />
turn away. <break time="1.2s" />
turn down. <break time="1.2s" />
turn in. <break time="1.2s" />

turn into. <break time="1.2s" />
turn off. <break time="1.2s" />
turn on. <break time="1.2s" />
turn out. <break time="1.2s" />
turn over. <break time="1.2s" />
turn to. <break time="1.2s" />
turn up. <break time="1.2s" />
whether to do. <break time="1.2s" />
would rather do than. <break time="1.2s" />
would rather — than. <break time="1.2s" />
would rather do than. <break time="1.2s" />
at heart. <break time="1.2s" />
check off. <break time="1.2s" />

in oneself. <break time="1.2s" />
to oneself. <break time="1.2s" />
lest someone should. <break time="1.2s" />
